EXAMINER'S AMENDMENT

Reason for Allowance

Claims 1-18 are allowed for the following reasons:

The instant application is deemed to be directed to a nonobvious improvement over the invention patented in Pat. No. Reihard et al. (DE 3711244 A1)

Claim 1 is allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the measuring heads, on the high-voltage device side, are connected via their optical waveguide interfaces in a first local optical waveguide network, wherein the control units are connected to one another by a second local optical waveguide network in combination with the rest of the limitations of the base claim. Claims 2-18 are allowed by virtue of dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
